

## **THE LINK OPT-OUT**

### **JANUARY 2021**

The Winter opt-out period will be from January 27th - 31st (it always takes place after the deadline to drop classes each semester) you will have to fill out a form ( it will ask you to upload your student ID and class schedule) that will be posted on the website starting 9 am on the 27th of January ([concordiacommunity.org](http://concordiacommunity.org)).

If you do not have a student ID on hand you can opt to upload any other ID.

Please keep in mind this is not for all your compulsory or student associations fees, the university only permits opt-outs for a small number of services (the ones listed on the site given).

The refund will be applied directly to your myconcordia account as a payment, it will be labelled as Symcor Payment or Online Web Payment, the fees will still be on your account, however you see a payment done to your account based on what you decide to opt-out of.
